TO INTERESTED PARTIES: (ELECTED OFFICIALS, RD's , Groups, Concerned citizens)

The U.S. Army Corps of Engineers will be co-hosting with the State of California two regional workshops to discuss levee rehabilitation options under the emergency repair program PL 84-99. Included in our discussions will be non-structural alternatives to traditional levee repair.

Our objective for these meetings is to provide additional information on this important flood recover activity. To officials and leaders among the community, local owners and operators of levee systems, interested agencies, and concerned individuals. The meetings will be held at two different locations (see attached maps for more detailed directions):

DATE: Tuesday, June 24, 1997
TIME: 7:00 to 9:00 pm
LOCATION: Modesto, CA
Modesto County Center III
Auditorium
701 County Center III Court

DATE: Wednesday, June 25, 1997
TIME: 7:00 to 9:00 pm
LOCATION: Sacramento, CA
Department of Water Resources Building
Auditorium
1416 Ninth Street

We look forward to your participation. For additional information, contact Mr. Bill Fakes, Project Manager, Sacramento District, U.S. Army Corps of Engineers, at (916) 557-7490 or Mr. Karl Winkler, Chief, Central District, California Department of Water Resources at (916) 227-7566.
